

-  Lutein + Zeaxanthin
-  AREDS II Ingredients
-  Premium Natural Antioxidants
-  Bilberry Extract

- ✓ Eyesight Support
- ✓ Prevents Sunlight Damage
- ✓ Slows Macular Degeneration
- ✓ Prevents Diabetic Retinopathy
- ✓ Reduces Risk of Cataracts

Direction for Use

Daily intake: Adults: Take one capsule, twice daily, or as directed by a health care practitioner. Take with food.

Duration of use: This supplement is generally safe for long-term use; however, consult a health care practitioner for use beyond 3 months.

Cautions and warnings: Consult a health care practitioner prior to use – if you are pregnant or breastfeeding. – if your symptoms persist or worsen – or if you use other supplements containing the same ingredients as VisuMix M. Keep out of reach and sight of children.

Side effects: VisuMix M, like any food supplement, may cause mild gastrointestinal upset.

Storage: Store between 15-30° C, tightly closed. Protect from direct sunlight and moisture.

Ingredients: Lutein (Lutein); Zeaxanthin (Zeaxanthin); Vitamin C (Ascorbic acid); Vitamin E (d-alpha Tocopheryl acid succinate); Zinc (Zinc oxide); Copper (Copper); L-Glutathione (Glutathione); Bilberry (Vaccinium myrtillus – Fruit) (25% Anthocyanins, 10 : 1, DHE 800 mg); Grape seed extract (Vitis vinifera - Seed) (40% Proanthocyanidins, 10 : 1, DHE 250 mg); Quercetin (Quercetin)

Non-medicinal ingredients: Dicalcium phosphate, Hyprom Magnesium stearate, Microcrystalline cellulose, Silicon dioxide.

SUPPLEMENT FACTS

Serving Size: 1 Capsule

Serving Per Container: 60

Contents	Per Serving		Per Day	
	Amount	%RDA*	Amount	%RDA*
Lutein	10 mg	**	20 mg	**
Zeaxanthin	2 mg	**	4 mg	**
Vitamin C	100 mg	111%	200 mg	222%
Vitamin E	30 IU (20 mg AT)	133%	60 IU (40 mg AT)	266%
Zinc	10 mg	91%	20 mg	182%
Copper	1 mg	111%	2 mg	222%
L-Glutathione	50 mg	**	100 mg	**
Bilberry	80 mg	**	160 mg	**
Grape seed Extract	25 mg	**	50 mg	**
Quercetin	20 mg	**	40 mg	**

*Recommended Daily Allowance

**Recommended Daily Allowance not established

Scientific background

VisuMix M is a general formulation designed for overall ocular health. It contains all ingredients of the Age – Related Eye Disease Study (AREDS II) formula, which have been proved to halt **age-related macular degeneration (ARMD)**. It also includes a variety of premium herbal antioxidants, which could protect the eye from sunlight damage and other internal/external insults; thus, extending its usage among the young and even healthy (but at risk) population. VisuMix M is particularly good at **preventing cataracts and macular phototoxic damage** from the ambient UV light. Bilberry, one of the VisuMix M ingredients, improves microvascular health in retinal vascular disorders such as **diabetic and hypertensive retinopathy**. Finally, the array of natural antioxidants within the product performs just well at maintaining the overall body and cardiovascular health.

Lusante Inc.

Lusante is a research and development corporation dedicated to planning and producing premium oral supplements. The main objective of the company is to enhance men's and women's overall health with a particular focus on eye health. We thrive to provide an array of effective supplements, which are designed for specific ocular conditions. The ultimate goal is to maintain the health of ocular tissues struggling with environmental insults such as UV light and oxidative stress, as well as improving recovery from ocular disorders and minimizing the associated complications and tissue destruction.

Our supplements are made from the finest raw materials and are manufactured in a GMP – certified site using the highest standard processes. We hope to build optimum cooperation with employees, partners, and customers to achieve the utmost transparency and integrity in our work.
